

Name _____

Brightest Stars

Correctly graph data	3	_____
Format (axes labeled, title, etc)	2	_____
Draw box around groups of stars	3	_____
Locate Sun	2	_____
Total	10	_____

Nearest Stars

Understand random samples (Questions 4-5)	3	_____
Correctly graph data	3	_____
Format (axes labeled, title, etc)	2	_____
Compare and contrast with diagram for brightest stars	2	_____
Locate Sun	2	_____
Total	12	_____

The Pleiades

Practice calculations with Hipparcos Data (Exercises 3-4)	2	_____
Correctly graph data	3	_____
Format (axes labeled, title, etc)	2	_____
Identify Pleiades stars from their distances	3	_____
Identify star types in the Pleiades	3	_____
Total	13	_____

Globular Clusters

Correctly graph data	3	_____
Format (axes labeled, title, etc)	2	_____
Understand which star types appear on this diagram	1	_____
Search for data	3	_____
Re-make graph with added data	5	_____
Understand which star types appear on extended diagram	1	_____
Total	15	_____

Total for project	50	_____
